Pertaining to Michael C. Cottrell, M.S. Treasurer

Dear Chris:

The situation has now become one of **deterioration** due to the events described in your March 1<sup>st</sup> 2008 email to the Federal Reserve, et al..

It has been reported to me that President G.W. Bush took a ONE BILLION USDollar **Plus** payment while in Africa, as part of a plan to bolster and create an "African Central Bank." This payment was illegal and when confronted by the authorities, former President H.W.G. Bush and President G.W. Bush went to the World Court and U.S. Supreme Court, respectively, to secure immunity from the illegal activities related to the payment (which they did not receive on February 28<sup>th</sup> 2008 from either court).

The Payment was structured via a (NSA/NSC) shell corporation account within the World Bank funneled through the Federal Reserve Inter Bank Settlement Fund to the "African nation" newly qualified Central Bank.

When the payment was found to be illegal and would cause the immediate arrest of the aforementioned personages, the funds were backed off --- which created the stock market plunge of Friday, February 29<sup>th</sup> 2008, e.g. the sale at discounted prices of Municipal Bond Portfolios to secure the necessary funds--- since other collateral has no real value.

Additionally, the NSA, et al., has stepped up their pressure on Ambassador Wanta to "dump" Michael C. Cottrell, M.S. as ATG's Treasurer --- since his pressure (combined with that of Christopher Story) revealing the illegal activities of the Bushes, Cheney, Clinton(s), and Paulson, et al.. operations.

E1-1

Ambassador Wanta has been directed or coerced --- at the insistence of NSA: Steve Hadley [sp] and John Hammond [sp]... special advisor to President G.W. Bush, on January 12<sup>th</sup> 2008 --- that the Pennsylvania Investments, Inc. Morgan Stanley International Securities Account --- per the Private Joint Venture between PII and ATG of December 30, 2005 --- not immediately receive the agreed upon FIVE HUNDRED BILLION USDollar funds necessary to initiate an International Financial Instrument Contract --- until "official" approval was obtained, "since Mr. Cottrell was observed as 'too powerful' and the Ambassador's role was not observed as equal."

Finally, on March 1<sup>st</sup> 2008, Mr. Cottrell was informed that the Ambassador was required to "place his own people" as the new overall Treasurer of AmeriTrust Groupe, Inc. "since Mr. Cottrell will be 'too busy' doing those functions mandated by the NSA, et al., and would not be able to do 'day-to-day' operations." Additionally, since Mr. Cottrell was not "qualified" to be the Treasurer of such funds.

This situation clearly contradicts the December 30, 2005 Private Joint Venture Agreement signed between Lee E. Wanta (AmeriTrust Groupe, Inc.) and Michael C. Cottrell, M.S. (Pennsylvania Investments, Inc.) as provided in the December 16, 2005 Corporate Resolution which included the election of Michael C. Cottrell, M.S. as Executive Vice President and Treasurer of AmeriTrust Groupe, Inc.. Further, Leo E. Wanta, Lee E. Wanta signed and dated on 26 February 2006 a letter TO WHOM IT MAY CONCERN, identifying Michael C. Cottrell, M.S. President of Pennsylvania Investments, Inc. giving authorization to "conclude the details and disposition of said settlement funds for deposit via Pennsylvania Investments, Inc. Account(s) on behalf of Leo E. Wanta / Lee E. Wanta with the Social Security Number 396-34-6726".

Thus, it has become clearly evident that as a NSA, et al. **quid pro quo** the Wanta Settlement will require the removal of Michael C. Cottrell, M.S. as the Treasurer of AmeriTrust Groupe, Inc..

This presents many problems for Ambassador Wanta, since it only took ONE YEAR from the death of Howie kok Kwong [sp] to the incarceration of Leo and Leo / Lee's loss of his funds and freedom.

Therefore, the aforementioned facts lead to the following analysis:

- 1) The removal of Michael C. Cottrell, M.S. as Treasurer of Ameritrust Groupe, Inc. is a quid pro quo agreed to by Lee E Wanta and the National Security Advisor / National Security Council, et al. for the Wanta Settlement to be paid directly to Lee E. Wanta...

- 2) The agreed upon U.S. Tax payment on the repatriated funds of approx. \$4.5 T USD amounting to approx. \$1.575 + USD is paid to an unknown Master Custodial Account via electronic payment with a signed acknowledgment of the tax payment from Lee E. Wanta...
- 3) The NSC/NSA then requires Mrssrs Wanta and Cottrell to become involved in international financial agreements via AmeriTrust Groupe, Inc. ONLY and the Capital Markets transactions begin.
- 4) In mid stream of the Second or Third Tranche, it is noted that the repatriated funds TAX PAYMENT HAS NOT BEEN RECEIVED and that there are irregularities in the financial arrangements made by AmeriTrust Groupe, Inc. that directly implicated Messrs Wanta and Cottrell.
- 5) Due to the apparent FRAUDULENT ACTIVITIES of Messrs Wanta and Cottrell, an investigation is commenced by the US GOVT, et al.
- 6) Lee E. Wanta suffers a heart attack or stroke / or / is involved in an accident that precludes him from defending himself and Mr. Cottrell.
- 7) Mr. Wanta dies and Mr. Cottrell is convicted of Financial Fraudulent activities, AND THE MONEY DISAPPEARS.

The unfortunate aspect of the above is that Ambassador Wanta apparently has agreed to the removal of Mr. Cottrell as Treasurer --- and as a result thereof, this is just one illustration of how things will probably occur so that Lee Wanta and Michael Cottrell will be "punished" for opposing the Bushes, Clintons, Cheney, Paulson, Greenspan, et al..

Best Regards,
