Dear Chris:

Per our meetings first held on March 15-16, 2006, as President of this firm, I have illustrated the numerous capital markets financial schemes uncovered during the process of writing my Masters Thesis: "*Elite Power & Capital Markets*", submitted 13 February 2002, as further requirements for the Degree of Master of Science, from the Administration of Justice Department, Mercyhurst College.

Additionally, we reviewed the Joint Venture Agreement between Pennsylvania Investments, Inc. and AmeriTrust Groupe, Inc., evidenced by the signed agreement of 30 December 2005 and the Corporate Resolution issued to Pennsylvania Investments, Inc. by AmeriTrust Groupe, Inc. Board of Director and Secretary Steven D. Goodwin, Esq. dated 16 December 2005.

We specifically reviewed the operation of said Joint Venture which subsequently become the basis of the June 30th 2006 letter to The President of The United States, The Honorable, George W. Bush, et al., issued and signed by Lee E. Wanta, Chief Executive Officer, President of AmeriTrust Groupe, Inc.

Then, on 12 January, 2008, (approx. 9:43 AM EST), and more specifically on 10 March 2008, (approx. 12:20 PM and 12:54 pm EST), I was informed by Ambassador Lee E. Wanta, that AmeriTrust Groupe, Inc. was NOT funded and therefore the corporation does not exist and any authorities I may have assumed do not exist. Therefore, I can only conclude, via further conversations with Ambassador Wanta, that the Joint Venture Agreement which forms the basis of the established Securities Account(s) for both Pennsylvania Investments, Inc. and AmeriTrust Groupe, Inc. to implement said Joint Venture will not be utilized for the intended purpose --- e.g. what is now known, as named by you, as the Wanta Plan.

Given this and other events of the last two and one-half months, I have come to the conclusion that IF the Joint Venture / "Wanta Plan" is to proceed --- given the massive size of "Wanta Settlement" (that is the basis for the aforementioned) --- I, Michael C. Cottrell, M.S., President of Pennsylvania Investments, Inc., now **require** an oversight panel or judge to ensure the proper and **transparent** expenditure and investment of the funds IF the funds are submitted to the Morgan Stanley Securities Account per instructions given by both Ambassador Lee E. Wanta and MYSELF are executed.

Best Regards,
