Therefore, this affidavit is being forwarded, via Attorney Hodges, et al., to specifically address the SIX POINT TWO TRILLION U.S.D. Loan to Pennsylvania Investments, Inc.. In my opinion, unless the loan is given to fund and operate the submitted proposed program of 3 MARCH 2009 --- the world's economic condition will deteriorate until the financial resultant will far exceed the damages observed during the "Great Depression of the 1920s and 1930s. Since it is now very apparent that President Obama is NOT willing to allow the Private Sector to secure and operate the needed Re-Funding of the United States Dollar without the Direct Involvement of The Department United States Treasury and Carlyle Group, and ARGO Trust, et al..

I, hereby, request that confirmation of this loan be issued to A. CLIFTON HODGES, Esq., with the identified instructions and notifications regarding the location and timeframe regarding the grant process of the aforementioned loan --- for the purposes stated within the 3 MARCH 2009 document --- to Pennsylvania Investments, Inc.

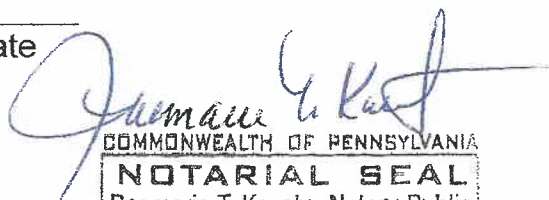

A copy of this affirmation shall have the same effect and force as an original.
